Description

Railway Street is a lovely place for a property to be, as it is a 10-minute walk to the City Centre, ideal for daily commutes to work. It is also a 5 minute trip to Clifton Street where you can get access to most things you will need without driving to the nearest superstore as there are plenty of locally-sourced grocery stores, if you don't want to cook the street is lined with eateries from many cultures.

This ground floor property is fully furnished to a good standard and white goods are provided in the functional kitchen. It also comprises of a separate living room in the middle of the property, one bright double bedroom and a tiled bathroom with both a shower and a bath.
